

Landor phototex

The durable fabric paper you can remove and reposition as many times as you like

and Re-moveable

The unique paste-free, fabric based media. A self-adhesive ink jet covering which presents exciting opportunities for a variety of applications including fine art wall coverings, exhibition graphics, point of sale signage as well as indoor and outdoor retail and directional signage. Available in aqueous and eco-solvent rolls in a series of widths Landor Phototex offers these unique benefits:

and Re-useable

Landor Phototex will not peel the paint off a primed wall, nor damage wallpaper when placed over it. When removing 99% of the time there will be absolutely no residue left behind. Landor Phototex can be re positioned and re used and can withstand all temperatures and weather conditions.

and Re-positionable

Applications include, indoor and outdoor signs, banners, posters, murals, billboards, car decals, wallpaper, borders, exhibition graphics, POS and cut out graphics
